

## SIZING

### BRACELETS

For proper sizing, we recommend using a tape measure and measuring the circumference of your wrist just above the hand. Place your smallest finger between your wrist and the tape measure to allow for slack.

Small : Up to 170cm Wrist

Medium : Up to 185cm Wrist (Most Popular Size)

Large : Up to 200cm Wrist

### NECKLACES

At Alex&er we sell two lengths of necklaces. The pendant on the short necklaces tend to sit in line with the collar bones whilst the pendant on the long necklaces tend to sit on the sternum. the lengths are as follows:

Short Necklace (Featuring Clasp) : 500mm

Long Necklace : 750mm
